

QUALITY POLICY

Abyss Energy

Where Talent **Powers** Impactful Projects

Quality Policy

PREAMBLE

Founded in 2013, ABYSS ENERGY is a consulting company specialized in engineering and recruitment for the Energy sector.

Quality and customer satisfaction are at the heart of our strategy and constitute a key lever for our development. We are committed to providing reliable, efficient services tailored to the expectations of our clients and partners.

With this in mind, ABYSS ENERGY has initiated an ISO 9001 certification process to structure its practices and promote continuous improvement.

Quality Policy

MAIN OBJECTIVES OF THIS POLICY

Placing customer satisfaction at the heart of our services by ensuring quality, responsiveness and follow-up.

Ensuring the excellence of our expertise through recognized certifications, notably thanks to the implementation of ISO 9001, and controlled processes.

Act responsibly by integrating societal and environmental issues into all our practices.

Be part of a continuous improvement approach by regularly measuring our performance and implementing corrective and preventive actions.

Quality Policy

CONTINUAL IMPROVEMENT

Define measurable quality objectives, followed regularly,

Analyze the results obtained to identify areas for improvement,

Mobilize all employees around the quality approach,

Ensure compliance with applicable legal, regulatory and other requirements.

Quality Policy

CONCLUSION

Management is fully committed to providing the necessary resources for the implementation and continuous improvement of the quality management system, and to disseminating this policy to all stakeholders.
